

## YOUR RESOURCE FOR PALM OIL GROWN FOR GOOD

### IN THE NEWS CHOICES MATTER

When **done right**, palm oil can be one of the most sustainable oils in the world, supporting people, communities and the environment, and enhancing the quality and performance of the food, personal care and household products we use on a daily basis.

**1 NEW HOPE NETWORK:** Six products that embrace Palm Done Right by choosing sustainable ingredients. [READ MORE >](#)

STORIES FROM THE FIELD  
**NEVER ENDING COMMITMENT**

**MEET DANIEL ANDRADE:**  
A soccer coach and agricultural worker in Esmeraldas Province, who has dedicated his life to motivating children. In the midst of the pandemic, Daniel initiated a new food garden community project as a way to bring the children together and create a sense of purpose. [LEARN MORE >](#)

PARTNER SPOTLIGHT  
**SPINSTER SISTERS**

Please join us in welcoming our **new Brand Partner** Spinster Sisters Co. They create quality skin care products using ingredients, methods, and energy that are friendly to the planet while uplifting the local community through positive cultural and social impact commitments. They are committed to creating safe and gentle skin care products that benefit their consumers, their employees and the earth.

"We consciously strive to do better for people and the planet, with a firm belief that we can do business for good. Sustainable palm oil is important to our mission and values. **Palm Done Right** takes a firm stance against conflict palm oil and deforestation... We are happy and proud to have found the perfect fit with the **Palm Done Right** movement." **Kelly Perkins, President/CEO** [READ MORE >](#)
